

# Genuine Zebra™ Paper Labels

High-quality materials at the right price

Zebra offers several paper materials, including products made using recycled paper, to meet the requirements of most applications and budgets.

Ensure consistent print quality, reduce downtime and increase productivity in your printing process with genuine Zebra paper labels. We manufacture each product with the exact same materials every time so you always get crisp,

readable and scannable output without needing to adjust the printer darkness setting between rolls. We stock over 175 thermal transfer and direct thermal paper products as part of our ZipShip<sup>SM</sup> program which are in-stock and ready for immediate shipment. The following chart compares the Zebra thermal transfer and direct thermal materials available.
